

# WILL YOU HOLD HER HAND?

Precious needs people to hold her hand, and help her school become a reality. It's an opportunity to help other peoples' children. Will you?

# WILL YOU HOLD MY HAND?

**THE BELOVED MISSIONARY  
SCHOOL  
ACCRA, GHANA**

**“A little girl by the name of Precious came and sat beside me. She stroked my hand then she laid her head on my hands and shut her eyes.**

**At that moment she had such trust. Then the Lord began to speak of the school and in my mind came a picture. Precious and I were entering the throne room of God and I was asking him for a school for her.”**

**Education is so precious to a Nation, and Ghana is doing its very best to give its young people the best, but resources are stretched, and there’s never enough money.**

**We want to provide for the children of our valley. This will not only help share the Nation’s burden, but will tell generations of Ghanaian children that we in the West do care for them, and are willing to share some of what we have with them, so that they can receive the precious gift of education.**
