## **GHANA: EASTER 2015**

Dear beloved,

Mary and I are preparing to go to Ghana for Easter. Mary goes March 5th, and I go March 14th.

Much is happening in our work. Now we have the land at Apam, bought by the Priory Fellowship, we must begin to set the work up there. We are planning, in the long term, to plant "The Community of the Good Shepherd" there. We are also buying the land for "Beautiful Gate", so we must begin to think about that. We must also begin to think about Grace Church on the Shekinah base.

Mary will be teaching and training our leaders. This is her main job, and as she is a trained teacher, she is the best one to do it. I will be visiting our churches, and continuing to speak about "Touching the Soul"- our intercessory ministry. We will hold our Easter Convention on the base, and our annual covenant-renewal service.

I will keep in touch as best I can. Most of you know the unpredictable nature of communication, and also the way plans change quickly.

Pray for safe travel, for good health and powerful ministry.

Blessings

Mary and Jim
