

Easter 2017

We have just finished our Easter convention, which was brilliant. Our Tabernacle was full of power and praise. Our churches Blessing, Joyful, Freedom, Wonderful Strong Tower, and Ark were all present. Our leadership team is strong, and we are about to add more to it.

We are about to begin alterations to Lydia House, so that our Kindergarten can be accommodated. The Servant House is now used as our Sunday School. At present, we are unable to complete Ruth House or our school.

We are happy with our progress. We have a long way to go, but the foundations are going deeper.
