

January 2019

As we enter 2019, we are in good shape. Our Kindergarten has completed its first term. We are now beginning to plan to involve the parent more.

The youth work is going well. The Ark (5-11) the Sunday School and “New Life” – our youth church - are all growing in different ways.

Joyful Church is in good heart, and Freedom Church is coming up.

Our wider intercessory work is going well.

Plenty of problems and issues, as with all families! But overall, we are pushing on.
