

The Serving Africa Mission

From Mary & Jim

Dear praying friends,

Thank you so much for your support and prayers. We've been able to meet all obligations for this month and continue in faith to believe that the Lord will continue to support us. We have no other supporters but you and we are grateful for what you have done for us this and every month.

These are such exciting days for the mission. Almost out of nowhere, with only the support of prayer and your giving we are raising up a beautiful school in Ghana. We are going to teach our school children to love their nation and to serve it. Only when young people do this rather than leave for the West will the nation be able to rise up.

We continue to plan for our football Academy, and are starting in a small way on some land we have near the base. This is a vision we are never going to let go of until it is completed.

We're developing our churches and leaders, and now planning for our next church "Bethel."

On the wider front our intercession ministry, which has always been a key part of the mission is growing through the new project called "The Towers." The WhatsApp ministry is a terrific encouragement and our live-streaming is such a positive statement of the Lord's ministry among us.

Very exciting times and your love, prayers and support make this possible. Thank you for all you've done. Just carry on doing it!

Love and prayers.

Mary and Jim
